[13. Mizuno MP FLI HI Hybrid Iron](#)

The MP Fli-Hi fits neatly into the bag of good ball strikers looking for a higher trajectory and soft landing from long approach shots.

[14. Mizuno MP-53 Iron Set \(8 Irons\)](#)

Mizuno's own optical illusion, the compact MP-53 hides away a staggering level of forgiveness.

[15. Mizuno MP-58 Iron Set \(8 Irons\)](#)

The next generation of Mizuno blades, the MP-58 combines the workability of a traditional muscleback with the forgiveness of multi material construction.

[16. Mizuno MP-63 Irons Set \(8 Irons\)](#)

The MP-63 iron is an evolution of Mizuno's most popular tour iron, the MP-62.

[17. Mizuno MP-68 Iron Set \(8 Irons\)](#)

Assimilating the best features of Mizuno's great blades with an enhanced feel, the MP-68 delivers exact shot-making for professionals and highly skilled amateurs.

[18. Ping Anser Iron Set \(8 Irons\)](#)

The forged, multi-metal design, combines an 8620 steel body, a dense tungsten sole and machined grooves for unequalled forged-iron feel and forgiveness. Its hollow-sole cavity softens feel and positions the CG for higher-launching shots. The progressive s

[19. Ping Faith Irons Set \(7 irons\)](#)

In the Faith iron/hybrid set, easy-to-hit 5- and 6-hybrids are blended with forgiving mid- and short- irons for improved accuracy.

[20. Ping G15 Iron Set \(7 irons\)](#)

The technology of the G15 Iron provides the high launching, maximum forgiveness attributes that bring consistency to your iron play.

[21. Ping G20 Irons Set \(8 irons\)](#)

Forgiveness and accuracy are achieved through extreme perimeter weighting in the 17-4 stainless steel head. A multi-material cavity badge made of soft elastomer improves feel and sound while enhancing distance control, allowing you to play your best golf.

[22. Ping i15 Iron Set \(7 irons\)](#)

In the design of the i15 iron, Ping engineers focused on the better player who prefers an iron set that offers the control to play a variety of shots.

[23. Ping i20 Irons Set \(9 irons, steel\)](#)

Available mid February, call 0800 0121722 to pre-order. Progressive set design, the long irons are slightly larger, high launching, more forgiving and have more offset. The smaller short irons feature less offset and provide exceptional control.

[24. Ping K15 Iron/Hybrid Set \(9 clubs\)](#)

Customize your set by combining irons and hybrids to improve your ball flight and build consistency in your game.

[25. Ping S56 Irons Set \(7,8 or 9 iron options\)](#)

Already a major winner, this blade design appeals to players who put a premium on shot control. A steel body with variable tungsten toe weighting positions the CG for higher-launching long irons and lower-trajectory short irons.

[26. TaylorMade R11 Irons Set](#)

Precision weighting port guarantees precise swingweight & ensures centre face CG location.

[27. TaylorMade Rocketballz RBZ Irons Set](#)

Coming soon, call 0800 0121722 to pre-order. Longer, straighter, more accurate & better feeling irons, engineered to promote more distance with improved accuracy and feels.
