[3. Explanar Powerollers](#)

The Explanar Poweroller from Explanar, extra help for short irons, long irons & woods and fitness training for the Explanar System.

[4. EyeLine Golf, Balance Rod](#)

Good balance is essential to consistent shots – putts, chips, and full swings. The Balance Rod causes an initial imbalance that will force your body to use your legs for stabilization rather than your spine. Within a few swings, you will have grounded ath

[5. EyeLine Golf, Balls Of Steel](#)

Learning to make a solid stroke with the heavy ball is the key to creating a compact, efficient stroke; no deceleration, no jab, and no complex thinking

[6. EyeLine Golf, Dual Plane Putting System](#)

The Dual Plane Putting System will give you instant feedback to help you master the basics of good putting

[7. EyeLine Golf, Golf Metronome Pro](#)

Improve your tempo with the lightweight, convenient metronome that we reinvented for golf.

Included in the Learning Curve Package: A gunmetal gray, powder-coated putting plane rail set at 68 degrees. A 30-minute instructional DVD -

[9. EyeLine Golf, Pendulum Putting Rod](#)

The Pendulum Putting Rod creates a connection between the putter and the pivot point of a great stroke – the sternum.

[10. EyeLine Golf, Practice T Rod System](#)

Alignment is the most critical element of an “on-target” shot. Consistent ball position between the feet creates consistently solid shots.

[11. EyeLine Golf, Putting Alignment Mirror](#)

Poor alignment is the major cause of missed putts. Using the Alignment Mirror will create confidence on the green.

[12. EyeLine Golf, Putting Impact System](#)

The purpose of the Putting Impact System is to help you learn how to see, feel, and repeat the correct impact position.

[13. EyeLine Golf, Speed Board](#)

The goal of the speed board is to help you develop a stroke that is the same length back and through. You will see instant improvement in your speed control.

14. [EyeLine Golf, Sweet Spot 360](#)

This tool teaches you to hit it in the center of the face vertically, as well as from side to side. Each of these misses (high, low, right and left) takes speed off your putts or adds side spin. Hit it in the sweet spot and make more putts.

15. [EyeLine Golf, Target Circles 12 Foot](#)

Create your own games for putting, chipping and pitching by focusing on landing targets as well as

16. [EyeLine Golf, Target Circles 3 Foot](#)

Create your own games for putting, chipping and pitching by focusing on landing targets as well as

17. [EyeLine Golf, Target Circles 6 Foot](#)

Create your own games for putting, chipping and pitching by focusing on landing targets as well as
