

Ping Putters featuring; the i Series and Karsten Series putters.

Products Under Ping Putter

[1. Ping Faith Putters](#)

Women will be more confident on the greens with proven PING technology in the Faith putters.

[2. Ping iN Putters](#)

The iN Putter Series elevates both feel and forgiveness by introducing new perimeter weighting and insert technologies.

[3. Ping JAS Putters](#)

Two new JAS putter models rely on multi-metal technology and a lightweight nano-nickel insert to improve feel and forgiveness. The Craz-E Moment and Craz-D models are also designed with multi-tiered alignment systems to improve accuracy.

[4. Ping Karsten Putters](#)

Ping Karsten Series Putters, enhanced feel, solid response.

[5. Ping Redwood Putters](#)

The Redwood Series pays tribute to the home of the original PING putter—Redwood City, California. It was in Karsten Solheim's garage that his equipment revolution was born and with it came the commitment to quality and innovation found in this 100% milled

[6. Ping Scottsdale Putters](#)

The solid feel and consistent response of the insert in the new Scottsdale Series will help your distance control and accuracy.
