

Products Under PING

1. [Ping 4 Under Carry Bag](#)

Ping 4 Under Carry Bag, the lightest of all ping carry bags, four way divider top, four side pockets.

2. [Ping Anser Iron Set \(8 Irons\)](#)

The forged, multi-metal design, combines an 8620 steel body, a dense tungsten sole and machined grooves for unequalled forged-iron feel and forgiveness. Its hollow-sole cavity softens feel and positions the CG for higher-launching shots. The progressive s

3. [Ping Faith Driver](#)

Designed to meet the needs of women golfers, the Faith driver, offered in 12° and 14° lofts, is engineered to help those with slower swing speeds hit it longer and straighter off the tee.

4. [Ping Faith Fairway Wood](#)

Offered in 3, 5, 7 & 9 woods, the Faith Series fairway woods provide women easy-to-hit alternatives to long and mid irons.

5. [Ping Faith Hybrid](#)

The hybrids feature a patent-pending technology that produces higher launch with extremely low spin for improved accuracy.

6. [Ping Faith Irons Set \(7 irons\)](#)

In the Faith iron/hybrid set, easy-to-hit 5- and 6-hybrids are blended with forgiving mid- and short- irons for improved accuracy.

7. [Ping Faith Putters](#)

Women will be more confident on the greens with proven PING technology in the Faith putters.

8. [Ping Frontier LT Cart Bag](#)

Developed with style, function and weight in mind, the newly designed Frontier LT provides golfers with a lightweight trolley bag that offers all the key features required for an enjoyable round of golf.

9. [Ping Frontier LT Ladies Cart Bag](#)

Developed with style, function and weight in mind, the newly designed Frontier LT Ladies provides golfers with a lightweight trolley bag that offers all the key features required for an enjoyable round of golf.

10. [Ping G15 Driver](#)

The G15 driver is engineered for golfers seeking a maximum forgiveness driver that delivers distance and accuracy.

11. [Ping G15 Fairway Wood](#)

The elongated, low profile design of the G15 Fairway Wood offers a long, forgiving option for golfers who rely on the confidence of a larger head.

12. [Ping G15 Hybrid](#)

The G15 hybrid is engineered as a high-launching, forgiving alternative to long and mid-irons.

13. [Ping G15 Iron Set \(7 irons\)](#)

The technology of the G15 Iron provides the high launching, maximum forgiveness attributes that bring consistency to your iron play.

[14. Ping G20 Driver](#)

Distance and accuracy are optimized by an external weight that optimizes the center of gravity position to generate high launch and low spin. The G20's large, variable-thickness face generates faster ball speeds and increases MOI for maximum forgiveness.

[15. Ping G20 Fairway Wood](#)

External weighting locates the CG low and back to produce high launch and optimal spin for long, straight results. You can optimize your ball flight by choosing either the higher-launching TFC 169F shaft or the TFC 169F Tour version for a lower trajectory

[16. Ping G20 Hybrid](#)

The offset hosel design helps the G20 hybrids create the high launch and low spin that improve your accuracy. A large, internal weight inside the 17-4 stainless steel head provides forgiveness and distance.

[17. Ping G20 Irons Set \(8 irons\)](#)

Forgiveness and accuracy are achieved through extreme perimeter weighting in the 17-4 stainless steel head. A multi-material cavity badge made of soft elastomer improves feel and sound while enhancing distance control, allowing you to play your best golf.

[18. Ping Golf Mittens](#)

Ping mittens great warmth for the golf course this winter.

[19. Ping Hooper Carry Bag](#)

Proper weight allocation makes the Hooper balance evenly on the shoulders. Eight pockets include a water-resistant, velour-lined valuables pocket.

[20. Ping i15 Driver](#)

The fade-biased design of the i15 driver meets the needs of golfers who place high priority on working their tee shots.

[21. Ping i15 Fairway Wood](#)

Developed for better golfers who rely on the distance and versatility of a fairway wood, the i15 features a sleek, low profile shape that delivers a high performance from all conditions.

[22. Ping i15 Hybrid](#)

For golfers who prefer a traditional hybrid shape and size, the stainless steel i15 offers a high moment of inertia with a tour-preferred trajectory.

[23. Ping i15 Iron Set \(7 irons\)](#)

In the design of the i15 iron, Ping engineers focused on the better player who prefers an iron set that offers the control to play a variety of shots.

[24. Ping i20 Driver](#)

Available mid February. Aeronamic for distance, the crown is engineered to reduce drag for maximising clubhead speed & ball velocity, resulting in greater distance in this i20 driver.

[25. Ping i20 Fairway](#)

Available mid February. Its neutral head rotation promotes square impact. A traditional head design creates an address profile that simplifies aiming for confident shot making with this i20 fairway.

[26. Ping i20 Hybrid](#)

Available mid February, call to pre-order 0800 0121722. More surface area low on the clubface ensures forgiveness to optimize launch conditions.

[27. Ping i20 Irons Set \(9 irons, steel\)](#)

Available mid February, call 0800 0121722 to pre-order. Progressive set design, the long irons are slightly larger, high launching, more forgiving and have more offset. The smaller short irons feature less offset and provide exceptional control.

[28. Ping iN Putters](#)

The iN Putter Series elevates both feel and forgiveness by introducing new perimeter weighting and insert technologies.

[29. Ping JAS Putters](#)

Two new JAS putter models rely on multi-metal technology and a lightweight nano-nickel insert to improve feel and forgiveness. The Craz-E Moment and Craz-D models are also designed with multi-tiered alignment systems to improve accuracy.

[30. Ping K15 Driver](#)

With the K15 you'll drive the ball straighter, assisted by a PING innovation called Straight Flight Technology (SF Tec).

[31. Ping K15 Fairway Wood](#)

A PING innovation called Straight Flight Technology makes you extremely straight with your fairway woods.

[32. Ping K15 Hybrid](#)

Ping K15 Hybrid; in four options (3 through 6) rely on a patent-pending design that creates lower-spinning, higher-launching shots that fly straighter and longer.

[33. Ping K15 Iron/Hybrid Set \(9 clubs\)](#)

Customize your set by combining irons and hybrids to improve your ball flight and build consistency in your game.

[34. Ping Karsten Putters](#)

Ping Karsten Series Putters, enhanced feel, solid response.

[35. Ping Ladies Duffel Bag](#)

Ping Faith co-ordinating accessory for on and off the course. The Ping Ladies Duffel Bag is not only very practical but also stylish, in durable nylon and vinyl material.

[36. Ping Ladies Shoe Bag](#)

Ping Faith co-ordinating accessory, The Ping Ladies Shoe Bag is not only very practical but also stylish, other co-ordinating accessories are available including the Ping Ladies Valuables Pouch, the Ping Ladies Duffel Bag, Ping Mittens and Ping Bag Towel.

[37. Ping Ladies Trifold Towel](#)

Ping Faith co-ordinating accessory, the Ping Ladies Trifold Towel is not only very practical but also stylish, other co-ordinating accessories are available including the Ping Ladies Valuables Pouch, the Ping Ladies Shoe Bag, Ping Mittens, Ping Ladies Umb

[38. Ping Ladies Umbrella](#)

Ping Faith co-ordinating accessory for on and off the course. The Ping Ladies Umbrella is not only very practical but also stylish, other co-ordinating accessories are available including the Ping Ladies Valuables Pouch, the Ping Ladies Shoe Bag,

Ping Lad

[39. Ping Ladies Valuables Pouch](#)

Ping Faith co-ordinating accessory for on and off the course. The Ping Ladies Valuables Pouch is not only very practical but also stylish, other co-ordinating accessories are available including the Ping Ladies Duffel Bag, the Ping Ladies Shoe Bag, Ping M

[40. Ping Latitude Carry Bag](#)

The six-way top in the 2012 Latitude features two full-length dividers and a molded putter well. Ten pockets include a water-resistant, velour-lined valuables pocket.

[41. Ping Moon-Lite II Carry Bag](#)

Ping Moon-Lite II carry bag, weighs less than 2 pounds, grab it and go.

[42. Ping Moxie Junior Golf Set](#)

PING performance and innovation are evident in our engineering of three distinct Moxie junior golf sets. Each is suited to different ages and heights to assure that younger players are properly fit and equipped, allowing them to play their best and develop

[43. Ping Pioneer Cart Bag](#)

Ping Pioneer golf cart bag, 9 pockets, 14 way divider top, Living up to its name, the Pioneer breaks new ground in cart bag convenience.

[44. Ping Redwood Putters](#)

The Redwood Series pays tribute to the home of the original PING putter—Redwood City, California. It was in Karsten Solheim's garage that his equipment revolution was born and with it came the commitment to quality and innovation found in this 100% mille

[45. Ping S56 Irons Set \(7,8 or 9 iron options\)](#)

Already a major winner, this blade design appeals to players who put a premium on shot control. A steel body with variable tungsten toe weighting positions the CG for higher-launching long irons and lower-trajectory short irons.

[46. Ping Scottsdale Putters](#)

The solid feel and consistent response of the insert in the new Scottsdale Series will help your distance control and accuracy.

[47. Ping Tour Staff Bag](#)

The same bag used by the PING professional staff, our Tour Staff Bag has additional internal reinforcement to ensure durability under heavy use.

[48. Ping Waterproof Bucket Hat](#)

Ping Waterproof Bucket Hat, in sizes small/medium or large/xlarge.
